Faculty exchange program

Date :- 14/03/2018 Time :- 11.00

presents:- 25

Vanue :- binika higher school mandla

Mentors name :-

1. Prof. Kavita bhawsar
2. Diksha kachhwaha

Activity Topic :- Teachers exchange program.

Topic :- Plantation And Bio-diversity day

Introduction:

As part of the Faculty Exchange Program between Maa Rewati College of Education, Mandla, and Binika Higher School, a special session was held focusing on Plantation and Biodiversity Day. The exchange program aimed to foster collaboration between teachers and share knowledge on pressing environmental issues such as afforestation and biodiversity conservation.

Objective:

The primary objective of this event was to raise awareness among students and teachers about the importance of planting trees and conserving biodiversity. The session focused on explaining the role of biodiversity in maintaining the balance of ecosystems and how plantation initiatives can contribute to ecological sustainability.

Details of the Event:

1. Plantation Drive:

The event began with a plantation drive where saplings were planted on the school premises by both teachers and students. The mentors, Prof. Kavita Bhawsar and Diksha Kachhwaha, along with other faculty members, led the students in planting saplings, educating them about the types of trees being planted and their environmental benefits.

2. Discussion on Biodiversity:

Following the plantation activity, a session on the importance of biodiversity was conducted. Prof. Kavita Bhawsar provided insights into how biodiversity supports life on Earth, playing a key role in ecosystem

Principal
Maa Rewati College of Education
Mandla, Mandla (M.P.)

services such as pollination, nutrient cycling, and climate regulation. She stressed the need for biodiversity conservation to ensure the survival of various species and maintain ecological harmony.

3. Educational Workshop:

Kavita bhawsar led an interactive workshop where students and teachers discussed ways to contribute to environmental conservation at a personal and community level. Topics such as reducing plastic use, promoting recycling, and maintaining green spaces were discussed.

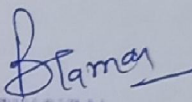

Outcome:

The Faculty Exchange Program provided an enriching experience for both students and teachers. The plantation drive helped instill a sense of responsibility toward nature, while the workshop on biodiversity raised awareness about the critical role that plants and animals play in sustaining life on Earth. The participants left the event with a deeper understanding of how their actions can positively impact the environment.

Conclusion:

The collaboration between Maa Rewati College of Education and Binika Higher School was a success, with the event achieving its goal of promoting environmental consciousness. The Faculty Exchange Program, with its focus on Plantation and Biodiversity Day, served as a platform for knowledge sharing and mutual growth, benefiting both institutions.

Activity Topic :- Teachers exchange program.

Topic :- Women crime awareness

Introduction

The Women Crime Awareness program was organized on February 10, 2020, as a part of Maa Rewati College of Education's initiative to educate and empower students about crimes against women. This event was designed to raise awareness, provide preventive measures, and create a safe space for open dialogue about women's safety issues.

Faculty Exchange Program

As part of the faculty exchange program, **Prof. Kavita Bhawsar** collaborated to lead this awareness session. The exchange aimed to bring fresh perspectives to the event, ensuring that both students and staff engaged in a meaningful and impactful discussion about women's safety and crime prevention. The event also emphasized child protection, particularly addressing the topic of 'Good Touch and Bad Touch.'

Event Highlights

- **Guest Speakers:** Experts in women's rights and legal protections were invited to talk about the most common crimes against women, legal remedies, and how women can safeguard themselves.
- **Interactive Session:** Students participated in an interactive Q&A session where they discussed real-life scenarios and potential solutions to common safety concerns.
- **Awareness Materials:** Pamphlets and posters were distributed to students, highlighting key information about legal rights, helpline numbers, and immediate steps to take in unsafe situations.
- **Faculty Mentorship:** Mentors like Prof. Kavita Bhawsar provided personalized guidance to students, particularly on the psychological

Principal
Maa Rewati College of Education
Rajendrapur, Mandla (M.P.)

aspects of dealing with harassment and building confidence in public spaces.

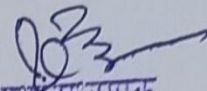

Outcome

The event successfully engaged 72 students, fostering a deeper understanding of women's rights and the importance of recognizing and combating crimes against women. The involvement of both Prof. Bhawsar through the faculty exchange program added depth to the discussions, bringing in diverse perspectives and enriching the students' learning experience.

Conclusion

The Women Crime Awareness program, coupled with the faculty exchange initiative, played a crucial role in educating students about the risks women face and the measures they can take to ensure their safety. The program also set the stage for future awareness initiatives, furthering Maa Rewati College of Education's commitment to community development and student empowerment.

Faculty exchange program

Date :- 15/9/22 Time :- 12.00 presents:- 45

Venue :- chirayu k.c.bajaj college of education nagpur

Mentors name :-

1. Dr. kanika khare
2. Prof. Kavita bhawsar

Activity Topic :- Teachers / students exchange program.

Topic :- micro teaching and importance of effective teaching

Activity detailed :-

The Teachers/Students Exchange Program at Chirayu K.C. Bajaj College of Education is designed Dr Nidhi Mathur to foster collaboration between institutions while focusing on two essential aspects of education: **Micro Teaching** and the **Importance of Effective Teaching**.

Key Objectives:

- To provide participants with an in-depth understanding of micro teaching techniques.
- To highlight the critical role of effective teaching in shaping both educators and students.
- To offer a platform for exchanging innovative teaching methodologies.

Key Components of the Program:

1. Micro Teaching:

- **Concept Overview:** Participants will explore **micro teaching**, a technique used in teacher training that allows educators to practice and refine specific teaching skills in a controlled environment.
- **Demonstration and Practice:** Mentors will demonstrate micro teaching sessions, focusing on skills like questioning techniques, class management, and lesson delivery. Participants will then have the opportunity to practice these skills in small groups, simulating real classroom environments.
- **Feedback Sessions:** After each micro teaching demonstration, participants will receive constructive feedback from peers and

Principal
Maa Rewati College of Education
Mandla (M.P.)

mentors, helping them identify areas for improvement and enhancing their teaching abilities.

2. Importance of Effective Teaching:

- **Discussion:** Dr. Kanika Khare and Prof. Kavita Bhawsar will lead discussions on what makes teaching effective, focusing on key elements such as communication, engagement, and adaptability in the classroom.
- **Workshops:** Interactive workshops will cover modern teaching strategies like **active learning**, **blended learning**, and the use of technology in education to improve teaching effectiveness.
- **Case Studies:** Real-life examples and case studies will be analyzed, showcasing the impact of effective teaching on student performance and engagement.

3. Collaborative Learning:

- Teachers and students will work together on group projects that encourage creative thinking and collaborative learning. These projects will demonstrate how effective teaching can lead to improved student outcomes and classroom dynamics.
- **Peer Learning:** Students from different institutions will engage in peer-to-peer learning, which helps in broadening perspectives and understanding diverse educational methods.

4. Mentorship and Guidance:

- Throughout the program, the mentors, **Dr. Kanika Khare** and **Prof. Kavita Bhawsar**, will provide personalized mentorship to participants, guiding them through the nuances of teaching and ensuring that they develop practical skills that can be implemented in real classrooms.

Program Outcomes:

- **Skill Development for Teachers:** Teachers will gain practical insights into micro teaching and how to effectively implement it in their classrooms. The feedback and peer review will help in refining their teaching methods.
- **Enhanced Understanding for Students:** Students will benefit from exposure to different teaching styles, gaining a broader understanding of how effective teaching can enhance learning experiences.
- **Institutional Collaboration:** Strengthening academic ties between institutions, promoting knowledge sharing, and fostering a culture of continuous learning.

This exchange program is expected to empower both teachers and students, making teaching more impactful and learning more engaging.

4. Shivangi patel

Activity Topic :- Teachers / students exchange program.

Topic :- right to education and professional ethics for teachers

Activity detailed :-

This **Faculty Exchange Program** focuses on two key areas essential to modern education: the **Right to Education (RTE)** and the importance of **Professional Ethics for Teachers**. Through interactive sessions, group discussions, and expert-led presentations, both students and teachers will explore these critical topics.

Key Focus Areas:

1. Right to Education (RTE):

o Understanding the RTE Act:

The session will provide an overview of the **Right to Education Act, 2009**, which ensures free and compulsory education for children between the ages of 6 and 14 in India. Participants will learn about the legal and social significance of this right and its impact on educational access for all children.

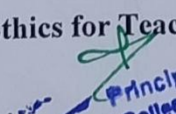

o Implementation and Challenges:

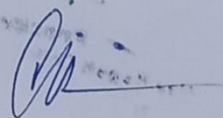

Discussion on the challenges faced in the implementation of the RTE Act, including issues like infrastructure, teacher-student ratios, and inclusivity in schools, particularly in rural areas.

o Role of Teachers in RTE:

Teachers will be encouraged to understand their role as key agents in realizing the goals of the RTE Act, fostering a culture of inclusion, and ensuring every child gets an opportunity to learn and grow.

2. Professional Ethics for Teachers:

Principal
Maa Rewati College of Education
(Khairi, Mandla (M.B.))

- **Core Ethical Principles for Teachers:**

Mentors will emphasize the importance of professional ethics in teaching, such as fairness, integrity, respect, and accountability. The session will highlight how ethical behavior forms the foundation of a successful educational environment.

- **Teacher-Student Relationship:**

Special focus will be given to maintaining a healthy and professional relationship with students, fostering mutual respect, and ensuring that teachers act as role models in terms of moral values and social responsibility.

- **Ethical Dilemmas and Solutions:**

Participants will engage in discussions about common ethical dilemmas faced by teachers, such as conflicts of interest, maintaining impartiality, and handling sensitive information. Case studies will be presented to facilitate problem-solving and ethical decision-making.

3. Interactive Workshops:

- **Group Discussions on RTE and Ethics:**

Teachers and students will be grouped to discuss the real-life challenges related to the implementation of the RTE Act and how they can uphold professional ethics in various educational scenarios.

- **Role-Playing Activities:**

Role-playing exercises will be conducted to simulate ethical dilemmas teachers may encounter in their daily professional lives, allowing them to practice ethical decision-making and explore various perspectives.

4. Mentorship and Collaborative Learning:

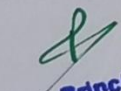

- **Mentor-Led Sessions:**

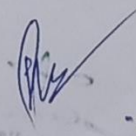

Mentors, including Prof. Kavita Bhawsar, Prof. Diksha Kachhwaha, Sanjay Agrawal, and Shivangi Patel, will guide participants through the complexities of professional ethics and the importance of the RTE Act. Their expertise will help participants gain a deeper understanding of how these topics shape the educational landscape.

- **Collaborative Learning:**

Teachers and students from both institutions will share knowledge, experiences, and innovative ideas on how to effectively implement the RTE Act and uphold ethical standards in teaching.

Expected Outcomes:

Principal
Maa Rewati College of Education
Khatol, Mandla (M.P.)

- **For Teachers:**
Teachers will leave the program with a strong understanding of the Right to Education Act and a renewed commitment to ethical behavior in their professional practices. They will be better equipped to manage ethical challenges and to contribute positively to the educational development of their students.
- **For Students:**
Students will gain awareness of their rights to education and the importance of ethical behavior in learning environments. They will also develop a better understanding of the responsibilities teachers have in providing an equitable and morally sound education.

This **Faculty Exchange Program** will provide a platform for teachers and students to learn, reflect, and engage in meaningful discussions on the Right to Education and the professional ethics that govern the teaching profession.

2. Prof. diksha kachhwaha

Activity Topic :- Teachers / students exchange program.

Topic :- Awareness programme good touch or bad touch

Activity detailed :-

his **Awareness Program** focuses on educating students and teachers about the crucial topic of **Good Touch and Bad Touch**. It is designed to raise awareness among students regarding personal safety, boundaries, and how to recognize inappropriate behavior. The program will involve interactive sessions to ensure that the information is conveyed effectively, in a way that is understandable and age-appropriate for students.

Key Focus Areas:

1. Understanding Good Touch vs. Bad Touch:

o **Good Touch:**

This section will help children understand what types of touches are considered positive, caring, and safe. For example, a pat on the back from a teacher or a hug from family members that make them feel secure.

o **Bad Touch:**

The mentors will explain to students what inappropriate or unsafe touches are, such as touches that make them feel uncomfortable, confused, or scared. They will also emphasize the importance of listening to their instincts when something feels wrong.

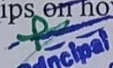

2. Empowering Students to Speak Up:

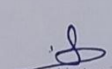

o **Recognizing Unsafe Situations:**

The program will teach students how to identify situations where they feel unsafe or uncomfortable and to trust their feelings when something doesn't feel right.

o **How to Respond:**

Practical tips on how to say "NO" to bad touch, get away from the

Principal

खैरी (मण्डला)

situation, and immediately tell a trusted adult, such as a teacher or parent, will be provided.

- **Seeking Help:**

Students will be encouraged to share their experiences with a trustworthy person if they ever encounter inappropriate behavior.

3. Role of Teachers and Parents:

- **Creating a Safe Environment:**

Teachers and parents will be advised on how to create a safe and open environment where children feel comfortable discussing sensitive issues.

- **Responding to Concerns:**

The program will include guidance on how to listen to children's concerns, validate their feelings, and take necessary actions to protect them.

4. Interactive Activities:

- **Role-Playing Scenarios:**

Teachers and students will engage in role-playing exercises to practice identifying good and bad touches. These activities will help students build confidence in recognizing inappropriate behavior.

- **Discussion Circles:**

Open discussions where students can ask questions and share their thoughts in a safe, non-judgmental space.

Expected Outcomes:

- **For Students:**

Students will leave the program with a clear understanding of the difference between good and bad touch. They will also learn the importance of communicating their feelings and the steps they can take to protect themselves.

- **For Teachers and Parents:**

Teachers and parents will gain insights into how to support and protect children from potentially harmful situations and create an open, trustworthy environment.

This **Awareness Program** will empower students with the knowledge and confidence to protect themselves, while also helping teachers and parents understand how they can play a crucial role in ensuring children's safety.

Maa Rewati college of education mandla Faculty exchange program

Date :-

Time :-

presents:-

Venue:-Bardoli college of Education katni

Mentors name :-

1. Dr. kanikakhare
2. Prof. Kavita bhawsar

Activity Topic :- Teachers / students exchange program.

Topic :- including effective teaching techniques and classroom management.

Activity detailed :-

Program Objective: The Teachers/Students Exchange Program aims to promote collaboration between the two educational institutions—Bardoli College of Education in Katni and Maa Rewati College of Education in Mandla. The primary focus is on exchanging ideas and experiences related to effective teaching techniques and classroom management strategies.

Key Components of the Program:

- 1. Sharing Effective Teaching Techniques:**
 - Both institutions' faculty will exchange teaching methodologies that have proven to be successful in engaging students.
 - Workshops will be conducted where teachers demonstrate innovative approaches, such as active learning, use of technology in classrooms, and methods to cater to diverse learning styles.
- 2. Classroom Management Strategies:**
 - Teachers will discuss and share strategies for maintaining discipline and a positive learning environment.
 - Techniques for managing large classes, handling disruptive behavior, and fostering student participation will be explored.
- 3. Peer Observation and Feedback:**
 - Teachers will observe each other's classes and provide constructive feedback to improve teaching methods and classroom interaction.
 - Both students and teachers will get the opportunity to learn from different teaching styles and classroom dynamics.
- 4. Student Involvement:**
 - Students from both institutions will participate in group discussions, collaborative projects, and experience classes conducted by different faculties.
 - This will enhance their learning experience by exposing them to different teaching environments and educational practices.

Benefits:

- For Teachers: Gain new insights into teaching practices and classroom management, improving their pedagogical skills.
- For Students: Exposure to a broader range of teaching methods, making learning more dynamic and interactive.
- For Institutions: Strengthening academic ties and fostering a culture of knowledge sharing and collaboration.

This exchange program will foster mutual growth and lead to the overall enhancement of teaching and learning at both colleges.
