Metric 6.2.3

Professional development/administrative training programmes organised by the institution

Annual e-governance report 2022-2023

Electronic governance or e-governance can be defined as the usage of Information and Communication Technology (ICT) by the management to provide and integration of various stand-alone systems and services. The e-governance facility started in college since 2016. The governance platform provides facility for maintaining records of administration, planning and development, finance and accounts, student admission and support and examination system
