Research policy

The college is committed to promote a research culture among faculty and students, as basic long term research provides the foundation for future development of the institution. The research policy of the college aims to develop and promote scientific temper and research aptitude of all learners, to realize the vision and mission of the college and to identify research areas of academic, practical and socially relevant significance thus contributing to national development.

Purpose- The research policy is to create a vibrant atmosphere of research among faculty and inculcate research aptitude among the research scholars.

Custodian of the policy – The implementation and updating of the research policy is carried out by the convener of the research committee. The research policy shall have a research committee under the principal, IQAC coordinators to assist and advise in matters related to research within the college

Objectives

1. to create and promote a culture of research among the faculty and students
2. to organize seminar/conference/workshops on research topics and training programmes in research methodologies.
3. to encourage faculty members to get research projects from national funding agencies and Non-government organizations.

4.To establish linkage with various other institutions to collaborate in research-oriented projects

5. To provide study leave for courses work, orientation, refresher course etc.

6.To encourage and facilitate the publication of the research works in reputed academic international/national/journals and also to facilitate the presentation of the research work through academic events such as workshops/Seminar/Conferences .

7. To encourage all those activities which will inculcate research culture in the college.
